

Barricks

MANUFACTURING COMPANY

Providing USA Quality Made Tables Since 1953

700 Series

Product Details

Barricks 700 Series table is a sturdy, durable solution for conference, banquet, and similar heavier use areas. Customize your table by selecting a HPL laminate. Core options are 3/4" particleboard or 3/4" plywood; HPL top underside sealed with moisture resistant backer. HPL tops are finished with T-mold or 3mm protective edging. The top is supported with a strong, rigid 2 1/4" 18 gauge roll formed edge steel apron. For tables over 72", a 5" wide "V" channel 20 gauge steel stretcher bar is secured to the underside of top for additional strength and rigidity. The 700 Series utilizes the deluxe cross H style leg consisting of 1 1/4" sq 18 gauge steel connected to opposite side leg with 1 1/4" sq 18 gauge steel cross bar. Legs lock in open position with Barricks' patented Deluxe Track Locking System with Sure-Lock Safety Latch. Adjustable levelers ensure proper positioning and alignment on uneven floors. Barricks stocks 30 HPL options to create your customized design.
