Providing USA Quality Made Tables Since 1953

Brutus Table

Product Details

Barricks Brutus series computer table provides secure wire management. The lockable portion of the top lifts to allow wire/ connection/ equipment access. The wire management tray is fabricated from 20 gauge steel. The top is 1 1/8" particleboard core with high pressure laminate top surface and moisture resistant bottom surface with a protective T-mold edge. The Brutus leg consists of welded components: 1" x 2" 18 gauge steel base leg with two 1" x 2" 18 gauge steel vertical supports with 1" square gauge steel top bar. Adjustable levelers ensure proper positioning and alignment on uneven floors. Barricks stocks 30 HPL options to create your customized design.

Sizes Available

24x36	30x36
