

Barricks

MANUFACTURING COMPANY

Providing USA Quality Made Tables Since 1953

Director Boat Series

Product Details

The Director Boat Series is fully assembled, folding, traditional conference table designed for larger functions/meeting needs. Director tops are 1 1/8" particleboard core with high pressure laminate (HPL) top surface and moisture resistant bottom surface with a protective T-mold edge. The top is supported with a strong, rigid 2 1/4" 18 gauge roll formed edge steel apron. For tables over 72", a 5" wide "V" channel 20 gauge steel stretcher bar is secured to the underside of top for additional strength and rigidity. Apron is also enclosed in matching laminate to top. Director leg has two 1 1/4" sq 18 gauge steel vertical supports welded to two 1 1/4" sq 18 gauge steel bars stacked to form leg base. Leg has two options for matching panel laminate – Imperial V or Rectangle designs. Leg locks/unlocks with Barricks patented Deluxe Track Locking System with Sure-Lock Safety Latch. Adjustable levelers ensure proper positioning and alignment on uneven floors. Barricks stocks 30 HPL options to create your customized design.

Sizes Available

30x36x72

30x36x96

38x48x96

38x48x120

38x48x144

45x60x144* 60"width is 3/4"top
