Regency Folding Painted Leg

Product Details

Customize Barricks' fully assembled, Regency Folding Painted table to meet your needs. Regency Folding Painted table top is 1 1/8" particleboard core with high pressure laminate (HPL) top surface and moisture resistant bottom surface with a protective T-mold edge or upgraded 3mm edge. The Regency Folding Painted table legs and apron are integrated into a single frame component. Legs are 1 1/4" sq 18 gauge steel welded to apron and 1" x 2" 18 gauge steel cross bar connecting to adjacent leg reinforcing leg stability. Legs have painted finish. Positioning of leg accommodates end seating. Adjustable levelers ensure proper positioning and alignment on uneven floors. Barricks stocks 30 HPL options to create your customized design.
