MANUFACTURING COMPANY

Providing USA Quality Made Tables Since 1953

Utility Table w Shelf

Product Details

The Utility Table with a Shelf is a non-folding general use support table; has additional storage with a lower shelf. Utility Table top and shelf are 3/4" particleboard core with high pressure laminate (HPL) top surface, moisture resistant backer bottom surface or alternatively thermally fused laminate (TFL) on top and bottom surfaces with particleboard core. All finished with a protective T-mold or 3mm edge. Barricks utility apron is a strong, rigid 2 1/4" 18 gauge roll formed edge steel apron welded to steel corner brackets for securing table legs. The UT legs are 1" sq 18 gauge steel that secure by bolting to apron bracket at each corner. Legs have shelf supports clips welded to leg for securing shelf. Adjustable levelers ensure proper height positioning and alignment on uneven floors. Barricks stocks 30 HPL and 16 TFL options to create your customized design.

Sizes Available

18x30 24x24
